Our pure power skating class is back! Power Skating Coach Alyn Libman will lead a 60 minute class specifically geared towards making participants more technically efficient and powerful skaters. All ages and ability levels are welcome. Participants should be able to get themselves around the rink without using the sidewall.

There is **no gear** available for use during this class. If you forget a piece of gear, everything is available for purchase in our Pro-Shop. Full gear is highly recommended, though not required, for this class. All participants must wear an HECC-approved helmet, gloves and skates (rental skate booklets available – 12 rentals for \$40 – available for purchase at the front desk). A hockey stick is highly recommended for balance though this class will not include pucks.

NO MAKE UPS OR REFUNDS.
